Model:KJ-962

Product Description

China Black Gold Hot Air Hair Dryer Factory Directly Supply. Burning® is a large-scale Black Gold Hot Air Hair Dryer manufacturer and supplier in China.

This Burning KJ-962 is a hair dryer.

2000W Quick Drying: 2000 Watt hair dryers will work quickly to dry your hair, but it won't overheat your hair and cause excess damage, an awesome hair dryer for men, women and kids.

Negative Ions Hair Care: Our hair blow dryers adopt negative ionic technology. With Negative Ionic Technology, emitting massive negative ions to eliminate frizz makes hair moister, smoother, protect hair from dull or damaged.
