Model:KJ-377

Product Description

Buy Discount Black Triple Barrel Hair Curler with Free Sample made in China. Burning® is Black Triple Barrel Hair Curler manufacturer and supplier in China. This Burning KJ-377 hair curler is a triple-barrel hair curler, Whether you have short or long, thick or thin, this three barrels curling iron works like a charm. The heated ceramic produces negatively charged ions that create soft, shiny waves without any frizz. And unlike single barrel styling irons that take ages to curl hair, this 3 barrel curling iron does it in a matter of minutes. Professional private label, custom logo, and custom design service to promote your brand or business well.

Several features and advantages of KJ-88 hair curler below:

Instant heating technology: Heats up quickly and helps saving precious time

Less hair damage: Ceramic tourmaline coating provides heat evenly for less hair damage

LCD Display & Adjustable Temperature: Different hair types, chose different temperatures

Universal Voltage for Traveling: Compatible 110-240V convenience for traveling or dating
