Product Description

Wholesale low price Cordless Pet Hair Clipper made in China. Burning® is Cordless Pet Hair Clipper manufacturer and supplier in China. With excellent designers, experienced technicians and strict supervisors working together, we can bring new and high-class products to our clients all the time. We are always looking forward to expanding our customer base. Competitive price, high quality, fast delivery is our most important advantage in this business.

This Burning BN-306 is a pet clipper.

Rechargeable dog trimmer with built-in battery is good for exceptional flexibility. It can also be used when charging so you don't have to worry that it will stop working and have half groomed dog.

Upgrade stainless steel fixed blade and ceramic moving blade can provide excellent cutting performance. The blade sharp enough for a long time using. Detachable blades, easy to change and clean.

Low vibration and ultra quiet design. The noise when working is only about 50 db, to help the pet feel at ease, not afraid cut hair any more.
