

LED Bead Single Barrel Hair Curler

Burning is a leading company in personal care products like hair curler, hair straighter, LED Bead Single Barrel Hair Curler, hair dryer and hair clipper. We provide specific solutions for our every customers.

Model:KJ-226

Product Description

Buy Hot LED Bead Single Barrel Hair Curler made in China. Burning® is LED Bead Single Barrel Hair Curler manufacturer and supplier in China. Burning offer different types of hair care products at wholesale price like the ceramic curling irons, hair straighteners, hair dryers etc. Ceramic material allows the heat to travel to the root of the hair, they work great on those with wavy or curly hair, since the material helps to create a more even distribution of heat along the strands. Available in both small and large models. 1/2, 1, 1.5, 2 inch or customziable. 16mm, 19mm, 22mm, 25mm etc.

This Burning KJ-226 hair curler is a single barrel hair curler, one of the best selling hair curlers due to the fashionable style and low price.

Several features and advantages of KJ-226 hair curler below:

Instant heating technology: Heats up quickly and helps saving precious time

Less hair damage: Ceramic tourmaline coating provides heat evenly for less hair damage

LCD Display & Adjustable Temperature: Different hair types, chose different temperatures

Universal Voltage for Traveling: Compatible 110-240V convenience for traveling or dating
